May 21, 2018
6:00 P.M.
Glade Spring Town Hall

Present: Councilwoman Angela Booth; Councilman Dirk Moore; Tina Bunnell, Treasurer; Ricky Stumbo, Police Chief.

Others Present: None.

The events meeting was called to order at 6:05p.m. by Dirk Moore.

Minutes from the last meeting were reviewed for approval.

Upon a motion made by Councilwoman Angie Booth, seconded by Councilman Dirk Moore, and carried 2-0-0, a consensus was given to approve the minutes from the last events meeting.

Councilman Dirk Moore reviewed ideas from the Project Glade meeting and gave a tentative list of events for the July 4th / Old Railroad Days celebration. They were as follows:

Friday Events:

- Guided walking tours of Historic Community
- Historic Church Tours
- Memorabilia display from Roanoke Railroad Museum
- Storytelling
- Art Exhibit
- Barn Dance / Potluck Dinner

Saturday Events:

- Spartan Obstacle Race at the Salt Trail
- Farmer's Market
- Taste of Glade Cook off
- Kite Festival at Dunn Field
- Grass Car Race at Dunn Field
- Concert/Concessions/Vendors at Dunn Field
- Fireworks Display

Possibilities for entertainment/bands were discussed.

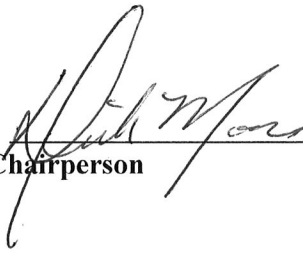

Ideas for promotion and advertisement of the event were discussed and how to maximize this effort. Ricky stated that someone attending the local news stations to discuss an event had worked well for the Town in the past.

Vendors were discussed and the need to advertise the event to get the word out to attract more vendors. There will be a limit of two vendors selling the same type foods/items in order to avoid competition between vendors and offer those in attendance a wider variety.

The next events committee meeting will be held June 4, 2018 at 6pm.

The events meeting adjourned at 7:30pm.

**Respectfully submitted,
Tina Bunnell**
